Hi Lorena! Let me know your schedule today. I have back to back meetings, but will call you when free.

I've attached a overview document that plans out all of the events through the fall, plus I have reconfigured the proposed budget numbers for each event. I think there is room to offer more or less for each show, but I'm still in the process of determining those artists.

Though it is currently budgeting out at \$50,000 of the \$50,500, I still want to come in under \$5,000 as to have a buffer in case there are production overruns.

This document also takes into account the many partners who need to be infused into the programming, and I have been in touch with all of them.

Let's talk,
Ben
